1.0 Introduction

Government of Maharashtra (GoM) through Maharashtra Jeevan Pradhikaran (MJP) proposes to Supply Water from the Regional Rural water Supply schemes (RRWSS) executed by MJP.

As directed by GoM (Government of Maharashtra), MJP now intends to undertake inviting offers from Individuals, Industries, Corporates, Institutions, Financial Institutions, Promoters & Developers, Farmer's Co-Op Societies, Partnership firms, NGOs, Public & Private limited firms, Trust and Government Local Bodies etc. (*hereinafter called as Interested Party*) for purchasing Raw / Pure water from Regional Rural water Supply schemes. Offers are invited online / offline from the Interested Parties for the purchase of water from the regional rural water supply schemes located in various districts of Maharashtra.

2.0 Background

Maharashtra Jeevan Pradhikaran, (MJP) has been formed through "Maharashtra Jeevan Authority Act 1976". MJP is a State level "Authority", which is responsible for planning, designing and execution of water supply and sewerage schemes in the state of Maharashtra. MJP also runs 25 urban and 25 rural water works. In last 25 years, MJP has executed various Regional Rural Water Supply Schemes (RRWSS) across the state of Maharashtra. RRWSS are planned and executed to supply water to multiple villages and occasionally towns as well. RRWSS are based on the surface source. Therefore, most of the sources are safe and reliable. These RRWSSs are catering to the need of millions of people, by supplying the safe drinking water to them. However, there are few RRWSS which are not operated to the designed capacity, so there is a spare water available. Spare water from such RRWSS, can be made available. Few RRWSS are nonfunctional due to various reasons. GoM intend to rejuvenate these nonfunctional RRWSS and made water available from such schemes. Through this initiative GoM intends to put into use, the infrastructure & assets which are either underutilized or lying idle. Depending upon the response of interested party/parties and need, MJP will be undertaking the rejuvenation of nonfunctional RRWSS. GoM will make available, the funds required for the rejuvenation. After the rejuvenation these schemes will be operated and run by the MJP. MJP will be responsible for the regular supply of water to the Interested Party / Parties. This water can be utilized for setting up a bottling plant, for sugar factory or any other industry, educational institute, township, resort, recreational purpose like water park, agriculture etc. The water available from such RRWSS can be used for drinking, industrial, commercial, agriculture, institutional, recreational or any other legal purposes.

3.0 General Terms and Conditions

- 3.1 The purchased water quantity can be utilized for drinking/ Institutional/agricultural / industrial / recreational / commercial or any legal purposes.
- 3.2 The non-functional RRWSS will be considered for repair and brought into working condition by MJP after assessing the offer of the Interested Party /Parties. The MJP will run the Scheme regularly.
- 3.3 The RRWSS which is nonfunctional will be rejuvenated depending on the response of the bidder/s. If there is a reasonable offer from the bidder, MJP will undertake the repair works at its own cost. The scheme will be made functional and will be run by the MJP, within one year.
- 3.4 MJP will be responsible for the regular water supply to the Interested Party.
- 3.5 Interested Party /Parties shall have to make tapping arrangement at the designated location and convey water to the point of consumption at his own cost. Beyond tapping point, necessary permissions will have to be pursued/acquired by interested parties for further arrangements.
- 3.6 The initial period of contract will be 5 yr or 10 yrs. Which will be mutually extendable.
- 3.7 The successful bidder will have to pay the charges as per the terms & conditions laid down in contract agreement.
- 3.8 MJP is responsible for supply of water through the designated RRWS for which bidder has quoted a reasonable offer.
- 3.9 Water meters as specified by MJP shall be used for the measurement of water quantity.
- 3.10 MJP will issue monthly bill against the water supplied in the month. Bidder will have to pay the water charges within 15 days of the issue date of the bill.

4.0 RRWSS locations and Site Visit

Water will be made available to the Interested Party at the tapping point/s. Tentative locations of the water tapping points of RRWSS have been provided in the Annexure – A. Interested Party may visit the RRWSS and assess the site condition. If Interested Party wishes to make site visit and to have detailed info of RRWSS, contact details of MJP officer and office are given in the Annexure – B.

5.0 Pre Eol Meeting

- 5.1 Pre-EOI meeting shall be held at the office of **Chief Engineer, Maharashtra Jeevan Pradhikaran, Pune Region Pune** on 26/11/2018 at 12.00 pm.
- 5.2 Any query about the Eol may be submitted to the following address by hand delivery / post / email. The same will be answered during the PreEol meeting. MJP will not be responsible for postal delay/loss of communication. In case Interested party have any query, it is preferable for Interested Party to attend Pre Eol meeting so that the queries may be discussed and clarified.

Chief Engineer,
Maharashtra Jeevan Pradhikaran,
Pune Region Pune
463, Stavelly Road, New Administrative Building,
Pune Cantonment Water Works Compound, Pune-411 001.
Email: cemjppn@gmail.com

6 Important Dates and correspondence address

6.1 Following time schedule shall be followed. The Interested Party shall submit the offer within the time limit mentioned in the schedule.

Sr. No.	Details	Date	Time
1	Publication of Eol	By 12.11.2018	
2	Pre Eol meeting	26.11.2018	12.00
3.	Date of Submission	12.12.2018	17:00
4.	Offer Opening Date	14.12.2018	11.00

6.2 As the sole discretion of the tender authority, the time schedule of the Tender stages may be extended.

6.3 Address for correspondence:

For all Clarification/ correspondence address is mentioned as below -

Chief Engineer,
Maharashtra Jeevan Pradhikaran,
Pune Region Pune
463, Stavelly Road, New Administrative Building,
Pune Cantonment Water Works Compound, Pune-411 001.
Email: cemjppn@gmail.com

7 Availability of Bid document and Submission of offer

7.1 Availability of Bid Documents

Eol document is available online on GoM e-tender portal www.mahatender.gov.in. Same may be downloaded from the MJP website www.mjp.maharashtra.gov.in. Interested party can obtain the copy of bid document from any of MJP office mentioned in the Annexure – B and mentioned in Section 7.5.

7.2 Mode of Submission

Interested Party shall submit the offer online on GoM e-tender web portal or offline in hard copy in a single sealed envelope at the any of the designated MJP offices.

7.3 Details to be provided in the offer

Interested party will have to submit the offer as per the format given in **Annexure - C**.

Following points should be considered while preparing the offer.

- i. Name of the RRWSS from which water is needed. If water is required from more than one RRWSS, details of all the RRWSS to be provided.
- ii. Quantity of water in MLD required.
- iii. Period in years for which water is required
- iv. Name of tapping points. If water is required from multiple tapping points, name of that tapping point and quantity of water to be drawn from each tapping point is to be mentioned.
- v. Details of purpose for which water will be used, e.g. drinking, agriculture, industrial, institutional, commercial etc.
- vi. Additional details can be provided in remark column. If felt necessary by the Interested Party, separate sheets can be attached with the offer letter for providing additional details.
- vii. Where interested party wants to purchase water from more than one RRWSS/tapping points, details for each RRWSS/tapping point will have to be provided.

7.4 Date and Time of Submission

The offers shall be submitted on or before the date and time mentioned in the time schedule provided in section 6.1.

7.5 Mode of submission of offer

7.5.1 Online through etender portal

Party can submit the offer **online through GoM e-tender web portal**
www.mahatender.gov.in

7.5.2 **Hardcopy**

In the form of hard copy at the MJP offices mentioned in the Annexure – B as well as in the offices mentioned in Section 7.5.3.

7.5.3 **By email**

Offer can also be submitted **by email**, at any one of the offices of the MJP mentioned below,

- i. Chief Engineer,**
Maharashtra Jeevan Pradhikaran,
Pune Region Pune
463, Stavely Road, New Administrative Building,
Pune Cantonment Water Works Compound, Pune-411 001.
Email: cemjppn@gmail.com
- ii. Superintending Engineer,**
Maharashtra Jeevan Pradhikaran Circle Sangli,
Jaltarang,
Sangli-416 416.
Email: mjpsangli@gmail.com
- iii. Superintending Engineer (HQ)**
Maharashtra Jeevan Pradhikaran,
Express Towers, 4thFloor,NarimanPoint,Mumbai 400 021
Email: sehqmjp21@gmail.com

MJP reserves right to modify, cancel or postpone the EOI.
