TECHNICAL CIRCULAR NO. 26

Sub - Submission of Tenders.

In a number of proposals for acceptance of tenders, it is observed that certain requirements laid down as per provisions of MPW Manual are not followed by the contractors. With a view to avoid further legal complications, it is to point out that provisions as per Appendix - 12 (copy of which is enclosed) should be scrupulously followed for the tenders to be received hereafter.

The above requirements should be brought to the notice of all contractors to whom Blank tender forms will be issued henceforth [by ²posting a list of important requirements] which shall be strictly seen. It may also be made clear that ^{Such} tenders in which contractors fail to follow the provisions, shall be rejected.

Encl: As above.

(R. M. Sagane)
Member Secretary (Tech.)

cc. to -

- 1) Chief Engineer and OSD, MJP, Navi Mumbai.
- 2) Chief Engineer, MJP, Thane/Pune/Nashik/Aurangabad/Nagpur/Amaravati.
- 3) F.A. & C.A.O., MJP, Navi Mumbai.
- 4) All Supdt. Engineers, MJP.
